JANE F. LAWERENCE VICE CHANCELLOR FOR STUDENT AFFAIRS

RE: Delegation of Authority

Effective immediately, as Vice Chancellor for Administration, and pursuant to the authority delegated to me by the Chancellor, I delegate to you the following authority under [DA # 1058](#) (Delegation of Authority - - Execution of Agreements), which may not be redelegated:

Authority to execute the following types of agreements:

- Agreements with nonprofit agencies for employment of students under the Work-Study Program
- Agreements for student health coverage
- Outreach program agreements with schools, school districts or other organizations, provided that the dollar amount of the agreement does not exceed \$50,000
- Inter-campus agreements regarding student services provided that the agreement does not include an exchange of dollars

The Authority is limited to execution of the above-described documents, and does not include authority to execute any other documents such as real property rental agreements, purchase contracts, subcontracts, or standard purchase orders for materials, goods, and services, as these items are governed by other University Delegations (DA #2140 and DA 2100).

The Authority is granted under the condition that any such agreement must be reviewed and approved by the UC Merced Contracts and Real Estate Coordinator and that funding must be confirmed by the appropriate UC Merced budget or accounting personnel.

You authority to act is subject to the conditions set forth in DA #1058, a copy of which is attached.
